Saturday, February 3, 1-3 p.m.

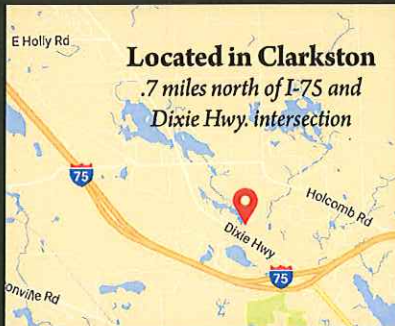

*Individualizing and accelerating preschool through grade 8 education in Clarkston since 1984*

A private, independent school educating preschool through grade 8 for 34 years. Cedar Crest Academy offers small class sizes, accelerated and individualized academics and preparation for competitive high school placement.

Educators in academics, world languages (Spanish, French and Mandarin), art, music and physical education create engaging and challenging learning opportunities.

**Discover the difference.**
