I'd like for there to be an agenda item regarding the chaotic mess at the south corner of main and washington. I'm certain that the furniture company sign is not supposed to be there, and I wish someone would do something about the huge weed. Currently, there is a giant electrical box, an electrical pole, a giant weed, a sandwich board sign, 2 newspaper stands, a large planter with over-sized plantings/decorations, and a garbage can. Something(s) has to give. Our sidewalks look atrocious and clustered. I know that we are addressing this as part of Complete Streets, but I think it needs to be addressed asap with the PC also.
